

Talent exam: Govt model school students do well

340 out of total 1000 model school students cleared the test

N DHAMOTHARAN @ Coimbatore

MORE number of class XI students of government model schools have cleared the Tamil Nadu Chief Minister Talent Search Examination (TNC-MTSE) this year.

According to sources, 211 boys and 130 girls, out of a total of 1000 model school candidates, including 13 from Coimbatore district, cleared the scholarship exam. The TNC-MTSE was conducted in October and as many as 1,27,673 students appeared for the exam. As per norms, 1000 students who secure high marks (97 and above) will be selected for scholarships. They will get ₹10,000 every year till they complete undergraduate courses.

V Hariprasanth from Coimbatore, who is among the toppers, said "As class X lessons are syllabus for this examination, teachers gave special coaching to us on Saturday and Sunday using model question papers and conducted mock tests regularly. So we did face the exams, which was conducted for the first time, without any difficulty."

government school in the district told TNIE, "Besides preparing students for board exams, we coach students for competitive exams like NEEET, JEE and CLAT."

She added that compared to conventional schools, teachers at model residential schools have put in extra effort.

Tamil Nadu Higher Secondary School Headmasters Association district president G Senthooan told TNIE, "Like model schools, government school teachers also provided the best coaching to students. But, there is an additional advantage for model school students as they have more time to prepare as it is a residential school."

Educationalist and coordinator of Federation for Education Development Su Moorthy said

FREE COACHING FOR NMMS EXAM

Coimbatore: The NSS wing of the Coimbatore Institute Technology will conduct free coaching classes for students appearing for National Means Cum-Merit Scholarship Scheme (NMMS) from Saturday. The exam will be held on February 3, 2024. R Prabhakaran, assistant professor at CIT said the classes will be held every Saturday. Students willing to join the classes may contact 94433-16984. ENS

the school education department is encouraging model schools by giving funds and other facilities such as study materials, etc.

"Special officers are monitoring activities in these model schools. As there is special attention to model schools, students have performed well," he said. He urged the state government to replicate the teaching method in regular schools so that all students could reap the benefits.

Teachers irregular to Udumalai tribal schools

SARAVANAN MP @ Tiruppur

PEOPLE of Kurumalai, Kuzhipatti and Madavapudi tribal settlements in Udumalaipet are upset, as teachers of the primary schools have been taking classes just once in a week for the past several months.

Speaking to TNIE, N Murugan of Kuzhipatti said, "There are 22 students in the government primary school in Kuzhipatti. Two teachers are allotted to this school. Due to the remoteness of the village, teachers come only on alternate days. Many times, chil-

dren return home saying teachers are absent."

He added that, to ensure the safety of the female teachers, tribals have allocated a house in their settlements in Kurumalai and Kuzhipatti.

Kuppasamy, a resident of Madavappu, said, "There are 17 students in our school. The two teachers who take classes stay in the rooms of the school. We cook meals for them. But they move out the next day. We are sad that teachers are irregular because students fall in the category of primary section (1-6), which is the foundation for

higher standards."

Speaking to TNIE, N Manikandan, a tribal from Kurumalai said, "Women teachers arrive on Tuesday and take classes for three hours and they stay in the house of tribals. The next day, after taking class, they leave for their home. Thus they spend just six hours a week educating the tribal children. When we make such a demand for male teachers or question their absenteeism, they avoid speaking to us."

A teacher said, "The schools are in remote locations and we have to travel for more than

three hours to reach the spot. It will take another three hours to reach home in Udumalaipet. Rain is also a hindrance in reaching the schools in this locality."

Speaking to TNIE, an official from the Tiruppur education department said, "Teachers have given their reasons for irregularities including frequent absenteeism. Besides, these schools have just two rooms and staying there overnight is a problem for female teachers. Our officials will travel to the tribal settlements soon to assess the problem."
