

Job accused moves HC over voice test

TAPAS GHOSH AND MONALISA CHAUDHURI

Calcutta: The arrested director of Leaps and Bounds, Sujoy Krishna Bhadra, whose voice sample was collected late on Wednesday in connection with the ongoing probe into alleged irregularities in recruitment in government-aided schools, moved a Calcutta High Court division bench on Thursday challenging an order of a single bench of the high court to use his voice sample as evidence in the case.

A few hours later, Bhadra's counsel approached the division bench of Justice Soumen Sen and Justice Uday Kumar challenging Justice Sinha's order to extract his voice sample as evidence.

32-year-old found dead at home in Ballygunge

Ballygunge: A 32-year-old woman was found hanging in her Ballygunge apartment early on Thursday. Police said the woman's husband — a senior bank official — was in the house when the alleged incident happened. They found two children and the 4-year-old child, were asleep. Investigators suspect the injuries found on Reshmi Verma, a homemaker and a resident of Dover Park, were of suicide.

"Her husband Asish Verma was the first to find her hanging. According to the statement of a security guard, the husband was crying when he called the ward seeking help around 7.30am on Thursday. The guard went to their apartment and found the woman hanging. Then the police were informed," said an officer of Ballygunge police station.

The body was sent for post-mortem and later in the day, the preliminary opinion of the autopsy surgeon was gaged that the woman had hanged herself, the police said. "The victim has not left any suicide note. What appears from the preliminary inquiry is that she had ended her life after sending the children to bed. It is unclear if her husband was awake or asleep when this happened. No suicide note has been found," said the officer.

Krishna Bhadra is free to move the division bench challenging the order. Justice Sinha's order from Wednesday's hearing mentioned: "The ED officer may take the help of CRPF personnel at the time of transporting the accused from SSKM hospital to ESIC hospital, Joka. The MSPV of SSKM hospital or any other person who is in charge of the accused in SSKM hospital is directed to hand over the accused to the investigating officer of the ED for compliance of the order passed herein." The order further mentioned: "Standing in the way of complying with the court's order will amount to contempt and the contemnor will be liable to face proceedings for the same."

Not providing "the voice sample is delaying the investigation," the order said. The ED officers on Thursday submitted a compliance report before Justice Sinha who fixed a date of hearing on January 10. As Bhadra's counsel submitted before Justice Sinha to make their client a party to the case, he was asked to file a petition in court, which would also be heard on January 10.

Justice Sinha, before hearing the matter on Thursday, issued by a copy of the order passed by Justice Sinha. However, as Wednesday's hearing was carried out "in-camera," the order sheet had yet to be uploaded on the official website at the time of the hearing. The matter was thus not heard.

Justice Sinha's order was uploaded to the site on Thursday evening. A senior lawyer of Calcutta High Court not attached to the case said: "Now that the order has been issued, Sujoy Krishna Bhadra is free to move the division bench challenging the order."

Status report on airport-Metro lines

about land logjams in New Town and VIP Road. But general manager Reddy said: "The land problems are by and large sorted. The major issue is construction. We still have considerable gaps in the viaduct. Those jobs are in the viaduct. Those jobs are to be plugged. There are some stations that require to be cast. For that, we need traffic regulations. We need permission from the police."

"The construction of pillars between Kalkhah and Haj House on VIP Road will need a long period of traffic curbs. There are similar construction hurdles that remain," said a Metro official. "We want to take the corridor till Ruby by March 2024, till Sector V by December 2024 and till the airport by December 2025. But to meet these targets, we need the support of the state agencies. We are counting on that," said Reddy.

There are considerable gaps in the viaduct. Those jobs are to be plugged. There are some stations that require to be cast. For that, we need traffic regulations. We need permission from the police. Heavy traffic on VIP Road is a major challenge.

System Tender No. 19899/NIT No.: 15/FAC/23/24 Dated: 03.01.2024 Online Tenders are invited for the following works up to 24.01.2024 at 17.30 hours.

Name of work - Bank Protection work on Upstream and Downstream of Naukabadia Anicut in Block Badargur, District Kondagaon.
