1. Preamble

Trading in a Company's listed securities by any person based on certain inside information that is not generally available to the public, which can materially affect the securities price upon coming into public domain is known as 'insider trading'. Such insider trading may also distort price of the securities on the stock exchanges and the investor who does not have access to such insider information is placed at a great disadvantage. Needless to mention, this kind of profiteering by insiders, misusing confidential information available to them by virtue of their position or connection with the Company, erodes investors' confidence in the integrity of the management of the Company and is not only unethical and immoral but indeed illegal and can attract criminal liability.

Securities and Exchange Board of India has notified the Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 (the SEBI (PIT) Regulations), which came into force on 15th May, 2015 and governs the law relating to insider trading in India.

2. Objective

The objective of this document is to give a basic understanding of the law relating to insider trading and to state Aditya Birla Finance Limited's ("the Company") policy and code, for dealing in its securities for the benefit of and compliance by all concerned. It also includes the guidance to Designated Persons on the policy, pre-clearance/notification procedures to be followed at the time of trading in the securities of the Company and the option of formulation of Trading Plans pursuant to which trades may be carried out in the securities of the Company.

The restrictions in this Code, in certain cases, go beyond strict legal requirements and are intended to preserve the reputation of the Company and the individuals to which the Code applies. In addition, the Company has adopted "Code of Practices and Procedures for Fair Disclosure of Unpublished Price Sensitive Information" (hereinafter referred to as the "Code of Conduct for Fair Disclosure") that it would follow to adhere to the principles set out in Schedule A to the SEBI (PIT) Regulations.
